6	We have sent you the skype address and the name of the person participating in the meeting following your request. Unfortunately we didn't get any answer or a call on skype which didn't let us participate. We are kindly asking you for clarification about this.	The skype addresses that were provided were all contacted, but some contacts could not be found on Skype since the tenderers provided email addresses and not skype usernames, hence could not be contacted, while others were contacted but did not reply.
7	We would like to request an excel copy of BOQ if it is available	No Excel copy of the Bill of Quantities is available.
8	You request 3 month certificate membership from contractor syndicate but due to the lockdown in Lebanon we cannot bring new one and we had one dated 07/07/2020. Could we use previous certificate from 5 months? Should we put original legal document or we can put copy of them?	Due to the current situation in the country, the below point of Sub-Article 12.1.9. of the document "vol1sez1 instructions to tenderers": <i>"recent (issuance date to be maximum 3 months from the bid date) membership certificate to the contractors syndicate;"</i> shall be replaced by the following: <i>"Membership certificate to the Contractors Syndicate issued in 2020".</i>
9	We were not able to attend the Mandatory Site Visit, as we didn't see the notice for Rescheduled Site Visit. Kindly confirm if it is still possible to participate in this tender even we have not attend the site visit.	Unfortunately attending to the site visit is a restrictive clause to participate into the tender, hence it is not possible to submit an offer if you did not receive a site visit certificate.
10	We were not able to attend the mandatory site visit held on MONDAY 02 NOVEMBER 2020 AT 10:00 A.M. Please advise if we can participate, we are ready for a site visit anytime.	It is not possible to organize a new site visit. Please also refer to question No. 9 here above.
11	We have not yet receive the site visit certificate	Scanned copies of the site visit certificates will be delivered to all companies who attended the visit and this before Friday, November 27, 2020. Each bidder shall submit copy of this certificate within his bid.
